

## Relish Cleaner and Safer Air

Studies show that the quality of indoor air can be attributed in affecting the health and productivity of people. Imagine the effects of cleaner and safer air to your health, to your family, and to your business.

- Healthier lifestyle with high resistance and highly efficient air filtration system
- A quality air that is 99.97% free of pollutants
- Removal of haze particles and its impact to human's health

# How your Air Purifier works?

## High Grade HEPA (Grade H14)

**Filter:** Fine mesh mechanical layer that captures 99.99% of pollutants found in your air.

## Honeycomb Activated carbon filter:

Aerodynamic Technology with high absorption rate of harmful gases and substances (e.g. second-hand smoke).

## Ultra-fine Nylon Mesh Filter:

Multi-grid plastic filter with high dust holding capacity and long service life.

## Advanced Ionizer Purification

**Technology:** Negative ions can not only effectively remove dust, sterilize, and purify the air while promoting adult body synthesis.

## UVC Sterilization Technology:

The UVC destroys the cell tissue and cleaves the molecular bonds of the harmful gases, bacteria, viruses.

Aero Max Plus Multistage Air Filtration System captures and removes:

Hair

Dust

Dander

Particulate

Pollen

Allergens

Odor / Smoke

TVOC

Bacteria

Virus

# All Powerful Virus-Bacterial Killer Air Filtration System

**Highly Effective Removal Rate of 0.1  $\mu\text{m}$**

**Quiet and whisper: 40 dB (A)**

**Intelligent Dust and PM 2.5 Sensor**

**Powerful Removal of Smoke and Allergen**

**Applicable area: 120 sqm**

**4-levels wind speed**

---

## **Bigger Loop, Quicker Air Flows**

The double forward fan increases the air volume and the misaligned blade design.

Quickly agitate the indoor air so that clean air flows quickly to every corner.

# Intuitive and multi-function touch panel

## Robust Multi-Touch LED Display Panel

---

Our multi-touch LED display panel brings interactive, and smart multi-function touch points to control your Aero Air Purifier. It features your SMART Filter Change reminder, Timer for Purification, Child Lock, PM 2.5 Display.

# Smart Visual Display of Air Quality

- When the corresponding function is operated, the corresponding indicator above the button lights up, and the corresponding icon on the display lights up. Dual interface PM2.5 real-time digital display and front air quality ambient lighting design, more accurate, you can see the air quality value whether you are standing or sitting in the distance.
- PM2.5 real-time digital display Ambient light green blue orange red four colors display air quality

# 360° Universal Wheel

The universal wheel design moves freely to each room  
The living room, bedroom, study, and kitchen can be moved at will, saving effort  
and not hurting the floor.

## 12 STAGE MEDICAL-GRADE AIR FILTRATION TECHNOLOGY.

# Product Specifications

<b>Product Type</b>	Air Purifier with 12 stages filtration, Medical-grade H14 HEPA Filter and UVC Sterilization
<b>Clean Air Delivery Rate</b>	900 m <sup>3</sup> /h
<b>Negative Ions Release</b>	20 millions/m <sup>3</sup>
<b>Noise</b>	35 db(A)
<b>Filter Life</b>	6 to 8 Months
<b>Air Changes per hour</b> <small>(duration to clean a specific area)</small>	200 sqm (40 minutes), 100 sqm (20 minutes), 50 sqm or less (2 to 10 minutes)
<b>Rated Voltage</b>	220V / 50Hz
<b>Rated Power</b>	85W
<b>Cord Length</b> <small>(Exposed Length)</small>	1.8m
<b>Chassis</b>	ABS Thermoplastic Polymer
<b>Air Quality Sensor</b>	PM2.5 Sensor
<b>Air Filter Class</b>	Medical-grade H14 / MERV 16
<b>Packaging Size</b>	430mm x 440mm x 854mm

Aero Global is the leading provider of innovative and the most advanced air cleaning and purification technology in the country. We aim bring in top-notch and quality designed air purifiers to realize our vision of homes and a world filled with cleaner and safer air.

Our team of engineers from Singapore together with the guidance of air filtration experts creates the blueprint of our air purifiers precisely designed with a first-grade filtration system that is highly effective and efficient.

**Pandemic-ready.**

**Designed for Today's needs.**
